IDENTIFICATION: Cleaning Cards for ATM, Eftpos and Printer maintenance.

PRODUCT NO: 7750 0252, -53, -54 , 0059 and Generic packs.

PRODUCT NAME: CardServ Cleaning Cards also known as double sided cleaning cards and double Mag Stripe Cleaning Cards and Smart Card Cleaning Cards.

DESCRIPTION: A double-sided or single sided Cleaning Card Individually saturated in IPA in a Sealed pouch. Usually 10 cards per pack. Or dry with a 45ml-drip bottle of IPA.

TECHNICAL INFORMATION: A laminated Cleaning Card packed in a pouch with 1.5-2ml's of Isopropyl Alcohol.

HOW TO USE: Read manufacturers instructions prior to use. Tear open pouch and remove saturated card. Follow cleaning procedure from manufacturer or Swipe it through the reader or keyboard 3 – 4 times. Wait for card to dry and repeat process.

Discard thoughtfully after use.

DISCLAIMER: Please check with hardware manufacturer instructions prior to use.

Do not reuse cards and/or any cards, which show frayed edges or delamination. Return these to your supplier for full replacement.

Cards have a shelf life of 3 months and care should be taken to ensure storage is in a cool dry place even while in transport. Check and record batch numbers upon delivery.

Report immediately any problem for quick technical attention: Technical Manager 1800 654 645.
